

2021/22 Snowmen of Stroudsburg Sponsorship levels

Due to the pandemic we could not visit all of you for your donation earlier in 2020 and our manufacturer was also closed to fabricate the necessary components to build the snowmen. This year we have arranged with ten (10) artists to design and create new additions to the existing snowmen that will come out after Thanksgiving 2021 for the Borough's 4th annual event.

Note: This years collected donations will not only go towards new 2021 snowmen but also new and additional close circuit camera's throughout the Main Street area to make our town safer throughout the year.

All donations are extremely appreciated! You can donate anything from \$5.00 and up via PayPal or credit card on GO Collaborative website <http://gocollaborativestbg.com/donate/>
