

2022/23 Snowmen of Stroudsburg Sponsorship Levels

As we are all aware the last 2 ½ years have changed our lives and the way we have to rethink everything. As a community (Small Town USA) we must push forward with creative thinking to insure our growth in a constantly changing environment. Hence, the “**Snowmen of Stroudsburg**” is only part of our creative endeavors to enhance the town for the residents, tourism and everyone’s economic growth into the “New” ever changing 21st century.

This is GO Collaborative’s and Stroudsburg’s 5th year of bringing the community into another successful year of growth

Note: Last year we advised the possibility of CCTV on main Street, but our funds did not allow GO Collaborative to do so. Hopefully with the boroughs help and grants we can do so this year.

All donations are extremely appreciated! You can donate anything from \$5.00 and up via PayPal or credit card on GO Collaborative website <http://gocollaborativestbg.com/donate/>
